

Northwood

*Monday,
April 8, 1963
Cary, Illinois*

**Welcome
to
Northwood**

This offering represents the first occasion that Northwood has been able to draw from ALL of its available sources . . . the Islabank, Findowrie, and Glastullich herds all purchased in their entirety in Scotland . . . as well as the cream of the Northwood production from the great cow herd assembled here.

Besides the three herds purchased in their entirety in Scotland, we purchased the best from many of their other great herds. In the last three years Northwood has imported more outstanding females from Scotland than the entire beef world put together. This offering truly represents the sum-total of all these efforts.

Never in history has the influence of Scotland's very best been stronger in any single sale offering on this continent.

We look forward with great pleasure to having you and your family with us. Come early. You can't see everything at Northwood in a few hours sale day morning. Give yourself a break in your daily routine. You are a part of a great business. Occasions such as this are not only enjoyable but are vital to you in the big job of keeping abreast with the industry.

We at Northwood are pledged to the continued production of breed improving Shorthorns and to all efforts in helping Shorthorns gain their rightful place at the top of the beef industry. These were the goals of Northwood's founder, Otto H. Grosse . . . they are now ours.

Bud Grosse

Brood cows at Northwood. Left to right: Mains Pauline; Northwood Broadhooks 2d; Moy Crocus Christine; Glastullich Augusta Ann.

"As ye sow" - - -

No man ever entered the ranks of the registered cattle business with more enthusiasm, determination and vigor than did Otto Grosse. Blended with this were a rare cattle-man's eye, an organizational ability, and, most important of all, a genuine love of livestock and love of people in the livestock business.

In three years he assembled one of the greatest herds in the history of the beef cattle business. This was accomplished through bold but carefully calculated action. What he did was the talk of the Shorthorn business in every corner of the globe.

This sale offering is a tribute to his efforts. It is the first occasion where we have been able to draw upon all the sources of supply he

established. To be certain that this is a sale offering truly depicting his accomplishment, we have spared no effort to enter the kind that make us certain of your approval.

Thirty-four animals in this sale are imported or imported-in-dam. Many others are out of our imported cows and are sired by Northwood stock bulls. Never in history has the influence of Scotland's very best been stronger in any single sale offering on this continent.

There is a reason why this sale is stronger than any group we have been able to offer in the past. The biggest share of the best animals purchased by Northwood were acquired in the last 12 to 30 months. Many of these stayed on the farms

in Scotland or at our own farm at Boghead. They have been coming across in moderate size shipments from time to time, and it is only now that the calves they were carrying in dam or their first Northwood calves could be a part of our herd.

Home of Mrs. Otto H. Grosse at Northwood.

With this strength now in hand we are in an unusual position to hold an auction.

Many of the females will sell well forward in calf to two young stock bulls that are new in the Northwood program. One is Glastullich Cock Robin, the impressive white bull that has been admired by good cattlemen from every corner of the world since his arrival here last summer. He is a son of Glastullich Rosewood Robin, the outstanding sire we left in Scotland to mate to the females at Boghead while they were awaiting shipment. We have had just three other Glastullich Rosewood Robin sons arrive here previously. They sold in our 1962 sale. One brought \$6,250 for a half interest, another \$3,700, the third \$2,200. Enough more of his calves have arrived at Northwood and in Scotland that we are certain this is blood we want to perpetuate in the Northwood herd. Not only is Glastullich Cock Robin the best son of Glastullich Rosewood Robin, but also his dam is Glastullich Augusta Rose, the dam of Glastullich Sunshine, sold for \$7,200 in our first sale, going to Emile Cammaert of Alberta. She is perhaps the best female we own.

The other new sire that has seen considerable service is Glastullich Great. He is out of the same cow as Glastullich Garrison that we sold

These females typify the strength acquired by Northwood through the purchase of entire herds in Scotland. Left to right: Glastullich Victoria; Islabank Rosewood and Glastullich Augusta Grania.

to Bapton for \$22,500 shortly after purchasing the Glastullich herd. The Garrison calves at Bapton have been extremely popular with visitors there. Glastullich Great is breeding the same way. See his daughter, Lot 27, and the other calves here by him.

BREED OBLIGATIONS

Northwood was founded on the principle that not only did a breed leader need to produce the very best in cattle and never rest on his laurels, but also that every leading

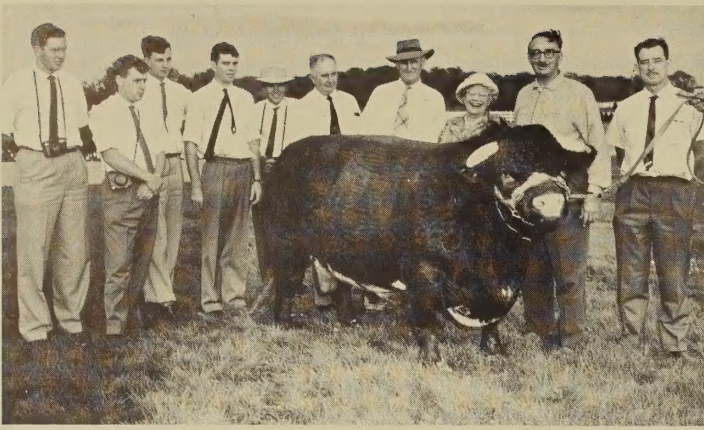

herd owes an obligation to promote the Shorthorn industry. We work at this every day of the year. Recently we hired Bob Heine, former field representative of the American Shorthorn Association. Bob's job will be to help establish new herds. We are certain that what helps the breed will help Northwood.

With this goes hand in hand the obligation to keep customers happy and to make prompt, fair adjustments when guarantee problems occur. As every breeder knows, guarantee problems hurt the seller's pocketbook, but there is no better advertisement than the customer who has been treated fairly.

It was Otto Grosse's belief that the many fine people in the Shorthorn and Polled Shorthorn business he met all over North America formed a great potential network of "breed merchandisers." He envisioned Northwood as a source of "blood strength" from which they could draw to improve their competitive position. It was with this in mind that he established the free delivery offer which is stated elsewhere in this catalog. This makes it possible for any breeder in North

William Ferguson and Alex Anderson of Scotland are shown with Otto Grosse at the 1961 Northwood sale.

Snapshot of Bapton Pioneer being inspected by a distinguished delegation of Australian ranchers who visited Northwood in the spring of 1962.

Islabank Scottish Buttercup 2nd and Northwood Flossie Gina. Both of these beautiful heifers sell in this sale.

Dr. and Mrs. P. M. DeMarco, Willowbrook Farm, Cary, Illinois, and their herd bull purchase, Northwood Pioneer Crown, \$9,000 top selling bull of the 1961 Northwood sale.

Baldowrie Augusta Beauty, typical of the great brood cows purchased in Scotland by Otto Grosse.

Gerre Meiners, daughter of Mr. and Mrs. Otto Grosse, and her daughter, Chris Meiners, shown visiting with Mrs. Otto Grosse at the 1962 Northwood sale.

America to draw upon Northwood's strength without encountering heavy expenses in getting the cattle home.

The Northwood herd now numbers more than 400 head. Even with this it is only natural we have regrets at parting with so many top females. This is particularly true with the present regulations prohibiting importation of cattle and the prospect of a long period ahead in which no one will be able to purchase in Scotland.

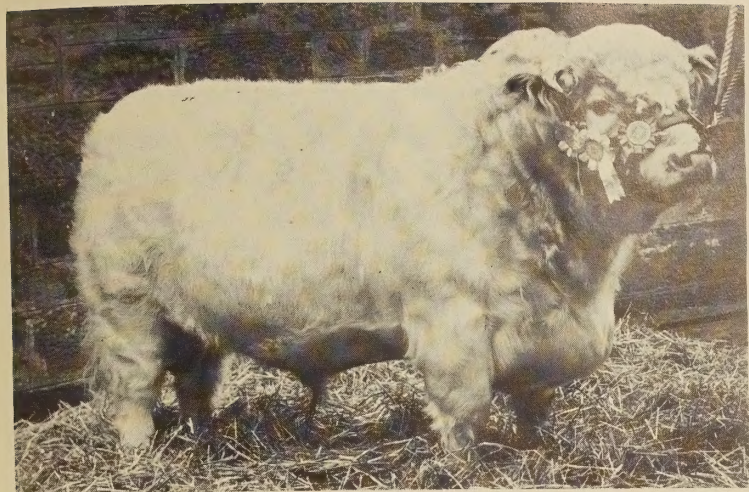

However, we have been pointing towards this sale for over a year, and with the present strength of the cow herd we know we can breed more females of this same high herd-replacement calibre.

A successful sale is of great importance. Our staff agrees we have put in the kind that breeders will want to take home.

We are pleased to announce that

MR. R. G. HEINE

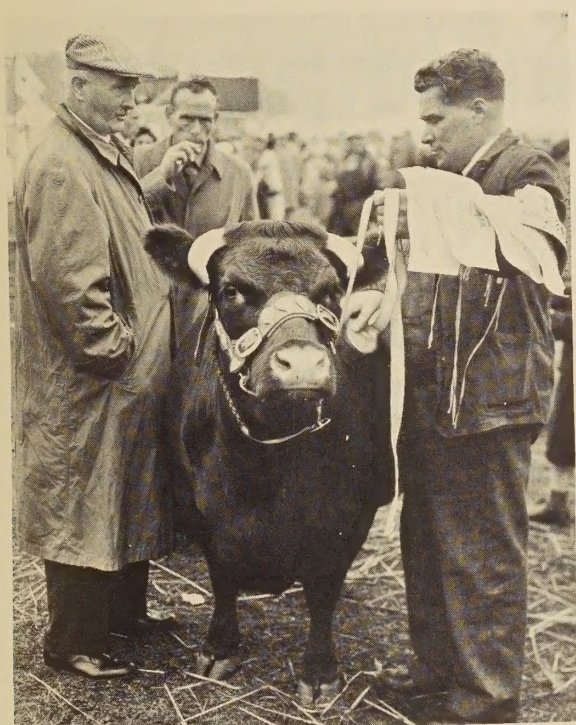

joined the Northwood staff on January 1, 1963, after many years of service to the breed as an American Shorthorn Ass'n field representative and breeder. He is to do "field work" . . . continuing the good work he has done in the past . . . to make on-farm visits to Shorthorn and Polled Shorthorn breeders with a particular view to helping the new breeders.

Findowrie All's Well by Uppermill Glencoe. This well known Scottish show bull is bred similarly to the Findowrie cattle offered in this sale.

Findowrie's Claritta, Perth first prize winner and top selling female at Perth, 1960. Her full sister and dam are in the Northwood herd. Three half brothers and one half sister sell in this sale.

Burnton Eliza 6th shown winning one of her many championships. This cow, three daughters and two granddaughters were purchased by Northwood in Scotland and the blood of this family is strongly represented in this sale offering.

Mr. and Mrs.
O. Howard Grosse.

Left to right: Mrs. Tempel Smith, Dave Lorenz, Josh Biglands and Tempel Smith follow the proceedings at the 1962 Northwood sale with great interest.

Grooming demonstration at the Northern Illinois Shorthorn Assn. junior field day held last July at Northwood.

L to R: Bapton Lord Mayor, sired by Bapton Constructor and retained as a junior stock bull at Bapton; Bapton Britannia by Bapton Brave Robin — at Perth 1963, winner of the first prize, reserve senior champion, one of the reserve group of three and the champion group of five and sold for the top price of the champion group; and BAPTON GUARDSMAN, sold privately to Northwood for \$25,000.

Bapton Guardsman and Clipper King of Bapton are now scheduled to arrive at Northwood in June. We feel it is important, however, that they be made a part of the picture for our April 8 sale. Northwood plans to make special announcements regarding re-breeding services to Bapton Guardsman and Clipper King of Bapton (P) on certain females to be offered in this sale.

BAPTON GUARDSMAN . . . In 1962 Otto Grosse made several trips to Scotland and each time kept on the lookout for the best young bull he could find. At Bapton his pick of all the calves was Bapton Guardsman, acknowledged by all to be one of the outstanding young stock bull prospects in Scotland. Negotiations for this bull's purchase were interrupted by Otto Grosse's death. Later on Louada bought the entire Bapton herd, and we purchased Bapton Guardsman from Louada at \$25,000. He was considered their key entry in the 1963 Perth sale.

"Everyone who has seen Bapton Guardsman says that with any luck he would have been the 1963 Perth Supreme Champion," stated Bapton manager Gordon Blackstock in a recent letter.

"I consider Bapton Guardsman one of the best young bulls to come out of Scotland in recent years. He should do a great job for the breed in the Northwood herd," commented Louada's manager, Wib Donaldson, to the press upon announcement of the sale to Northwood.

Guardsman is a son of Glastullich Garrison that was purchased privately for \$22,500, by Bapton from Northwood, after we had purchased the entire Glastullich herd. His sire, Bapton Balmoral, was noted for his strength and substance and great hind-quarters. He is from the same Floss family as Calrossie Constellation. Bapton Balmoral is the sire of many outstanding

females in the Glastullich herd now at Northwood as well as the sire of Glastullich Victor, in service here, and Glastullich Sunshine, sold for \$7,200 in the Northwood Premiere Sale to Emile Cammaert of Alberta.

Bapton Marilyn Broadhooks, the dam of Bapton Guardsman, is also the dam of Bapton Connoisseur sold at Perth for 4000 gns. to A. & W. Lambell, Australia; she is the dam of Bapton Clanroy, stock bull at Coldoch for three seasons and then exported to South Africa at a high figure; she is also the dam of Bapton Onward Bound, a prize winner at Perth, 1960, that sold in the Argentine for 4000 gns.

Kirkton Hercules was an outstanding sire in the Bapton Herd. His daughters have tremendous character, are great milkers and grand breeders. Note the number of great bulls in the breed today that carry Kirkton Hercules blood. His daughters have produced such notable bulls at Bapton Roan Robin, Bapton Daily Express, 1960 Perth champion, in the R. E. Smith herd, Texas; the 4000 gns. Bapton Connoisseur; the \$20,000 Louada Masterstroke; the 2200 gns. Bapton Cavalier, to mention just a few. Our own great sire, Bapton Pioneer, is out of a Kirkton Hercules dam, giving us an important blood tie-in.

We are confident that Bapton Guardsman will play an important role in the future of the breed.

Northwood has purchased two outstanding bulls from the Bapton herd . . . bulls that will play an important role in the future Northwood program. At \$25,000 we bought Bapton Guardsman. In his most recent letter Gordon Blackstock, manager of Bapton stated, "Those who have seen Guardsman feel with any luck he would have been Perth champion this year."

Another important addition was the well known Polled stock bull, Clipper King of Bapton. He will head an important Northwood Polled Shorthorn project.

CLIPPER KING OF BAPTON (P)

Announcement

		Fair Clipper 36th	[Ascreavie Democrat [Fair Clipper 27th

Much of the footnote material for Bapton Guardsman and Clipper King of Bapton (P) was supplied by Gordon Blackstock, manager of Bapton.

CLIPPER KING OF BAPTON (P) . . . is acclaimed everywhere as one of the greatest Polled Shorthorn bulls ever produced. He has tremendous scale and substance with magnificent character. He headed the Beef Shorthorn team to show their size and substance at the recent "Off the Grass" demonstration at Harrogate, England.

His dam, Bapton Fair Clipper, one of the best females at Bapton, was sired by Calrossie Constellation, the unbeaten male of Britain in 1957, and her dam, Fair Clipper 45th, was the unbeaten female in 1956. She was also the dam of the 1959 Bull of the Year, Bapton Northward Bound. Calrossie Highland Leader was one of Kirkton Baronet's best sons and was used with great success at Millhills. Fair Clipper 27th was a full sister to Millhills Xtra, top price bull of this year at Palermo, and stock bull for the famous herd of Messrs. Duggan, Sittyton, Argentina.

Coronet Max Leader 3rd x was the Thieman-bred bull selected to start the famous Bapton Polled Shorthorn project. He weighed 2352 pounds before being exported to New Zealand after three years service at Bapton.

Because of the importance of Polled Shorthorns in the overall breed picture, Northwood has been contemplating a Polled Shorthorn herd for some time. We knew only the best would do. As a matter of fact, on one of his trips to Scotland Otto Grosse saw Clipper King of Bapton x and arranged for several of our best females to be mated to him. One of these sells in this sale. Negotiations were carried on for his purchase to head the Northwood Polled project, but were interrupted by Mr. Grosse's death. The sale of the entire Bapton herd to Louada gave us the opportunity to purchase Clipper King of Bapton (P) from Louada.

We believe Wilbur Donaldson put it well when he said of the Bapton Polled Shorthorn herd, "Bapton's polled program was the most sincere and concentrated effort to improve Polled Shorthorns that has been made anywhere in the world."

Clipper King of Bapton x had an important role in the Bapton Polled program and through his use at Northwood this effort will be carried on.

* (P) is the Scottish designation for Polled.

These three impressive roan bulls were sold in the 1961 Northwood sale. Left to right: Glastullich Sunshine, purchased by Emile Cammaert & Sons, Rockyford, Alberta; Glastullich Regal, purchased by Bluford Kelner, Kanorado, Kansas; and Northwood Pioneer Crown, purchased by Dr. P. M. DeMarco, Willowbrook Farm, Cary, Illinois.

GENERAL SALE INFORMATION

**Don't Miss Any
of the Fun - - -**

You can't see everything at Northwood in a few hours on sale day morning. Plan to arrive on Saturday or Sunday for a leisurely view of the herd and sale cattle. Cocktails at 5 p.m. Sunday. Shorthorn beef dinner follows. Lunch at the farm Monday will begin at 11 a.m.

Remember . . . to keep abreast with the Shorthorn business this is a trip you owe yourself and your family.

TIME AND PLACE — The sale will be held at Northwood Farms, Monday, April 8, 1963, starting promptly at 12:30 p.m. Northwood is located three miles north of Cary, Illinois, and approximately 40 miles northwest of Chicago. It is 18 miles north of Elgin. From the junction of Rts. 176 and 31, go south one-half mile on Rt. 31 to first road leading east. Signs will lead you to Northwood. Northwood is about a half hour's drive from O'Hare Airport, the main Chicago airport. Cary is located on Rt. 14.

MEETING YOU — To avoid confusion, we are designating a central place to meet all visitors who will need transportation to the farm — Henrici's O'Hare Inn near O'Hare Airport. This is just a five minute ride from O'Hare by cab. The size of the O'Hare terminals makes this step advisable. If possible, advise us of your arrival time in advance. If not, call the farm and we will meet you at Henrici's O'Hare Airport Inn lobby. It is easy to get to O'Hare from downtown Chicago or Midway Airport by airport limousine or helicopter to O'Hare.

FARM PHONE — Cary, Illinois — Day: MErcury 9-3801; Night: MErcury 9-3805.

MOTEL RESERVATIONS — There are many excellent motels in the area. Advise us when you will arrive and we will be happy to make motel reservations for you. We urge you to write us about this as early as possible in order to provide you with the best possible accommodations and in the same motels as the others attending the sale.

GUARANTEE — All cattle in this sale will be sold under the Standard Guarantee of the American Shorthorn Association. In addition, Northwood makes the **further guarantee** of all females as breeders **regardless of their age**. Certificates of registry and transfer will be furnished with each lot sold. All cattle become the property and risk of the buyer as soon as bid off. However, every effort will be made for their care. Be sure to leave shipping instructions with Howard Bell, Manager.

HEALTH — All cattle will be sold to comply with the requirements of the State of Illinois. Health certificates will be furnished. Official calfhood vaccination of heifers is a policy at Northwood. The Northwood herd is Federally Accredited for Tuberculosis and Certified for Brucellosis.

TERMS — The terms of the sale are cash. All settlements to be made with the clerk at the conclusion of the auction and before the animals leave the premises.

BREEDING DATES — A list of breeding dates will be supplied at the sale. All females far enough forward in calf will be pregnancy examined. Announcements from the auction black supersede any written material.

LIABILITY — The guarantee and terms shall constitute contract between Northwood Farms and the buyer of each lot. Northwood Farms and its owners can accept no responsibility for accidents that may occur. Accidents at cattle sales are rare, but all attending must assume their own risk. Neither the sale manager nor any of the others hired by Northwood to assist with this sale can accept any responsibility for accidents or fulfillment of contracts.

FREE DELIVERY

Northwood will deliver all purchases made in this sale free of charge, at a convenient date after the sale, to central locations in all parts of the United States. Insurance from date of sale is to be purchased by the buyer.

(Left) Among the many prominent visitors at the 1962 Northwood sale was Dr. A. H. Darlow, vice president of Oklahoma State University, shown visiting with Dick Mauer, Northwood herdsman. (Right) Otis Rothlisberger, Tony Robinson of Iowa, and Mr. and Mrs. Ted Franklin of Alabama are shown looking at the heifers in the 1962 Northwood sale.

In the death of Otto Grosse I lost a close personal friend whose kindness and counsel I shall never forget. The breed lost one of its greatest supporters . . . a man who by example set a pace that made others strive to do a better job.

Having worked closely with the people at Northwood, it was no surprise to me to see Bud Grosse approach the management of this large institution with the same vigor, determination and vision so typical of his father.

In selecting the cattle to enter this sale it was obvious to me that Bud had one goal in mind . . . *a successful sale*. At this juncture a successful auction on April 8 is more important to Northwood than any temporary setback that may be suffered through the sale of these females. Bud knew very well that if he selected for this sale the kind of females that should stay in the Northwood herd, he would automatically be picking the kind you would want to buy. The bulls, also, are an extremely strong group . . . big, rugged, with the character and style of stock bulls. They are worthy of the time, travel and investment of leading herds.

The Northwood herd, now numbering more than 400 head, is stronger now than ever before. It is headed by a powerful group of herd sires. The entire herd, layout and management program is a thrill to see for every lover and promoter of Shorthorns. This will be a sale you should not miss.

*Don Longley, The Shorthorn World,
Sale Manager*

THE SALE STAFF

MAIL BIDS — Those unable to attend and who desire to take advantage of the buying opportunities in this sale may send buying order to any of the following qualified men, all of whom will be in attendance . . . or to any of the personnel at Northwood.

— REPRESENTATIVES —

- C. D. Swaffar**, Secretary, American Shorthorn Assn., Livestock Exchange Bldg., Omaha 7, Nebraska.
- Don Longley**, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

Twenty-nine sons and daughters of this great sire have been sold through the two Northwood sales for an average of \$2,048. Such wide public approval is the best indication that Bapton Pioneer is siring the kind of stock bulls in demand. It is particularly gratifying to note that a large percentage of these sons sold into the cattle country of Missouri, Kansas, Nebraska, Texas, etc.

Bapton Pioneer sons are noted for their strength, fleshing, ruggedness and character. They are a very uniform group. Thirteen daughters and five sons are being sold in this sale, and we believe them to be the best of his get offered so far.

Bapton Pioneer is a son of Bapton Cairnbrogie, 7,000

gns. top-selling bull, Perth, 1957, a full brother to Bapton Constructor. Bapton Cairnbrogie is being used in the Rothney herd of A. R. Cross, Calgary, Alberta. He was Supreme Champion, 1958 Calgary International Show, one of the largest ever held in Canada.

The dam of Bapton Pioneer is Bapton Mavis Crocus, without question one of the greatest cows of the breed. She was purchased for 1,500 gns. in the Bapton-Glamis sale by Louada and came to America with Bapton Pioneer. Her second calf, Louada Masterstroke, sold at a high price privately to Maclyn Plantation, Albany, Ga. Her third calf was Louada Masterpiece, \$15,000 top-selling bull of the 1961 Louada sale, going to Sr. Charles Duggan of the Argentine.

We began hearing about Glastullich Cock Robin from our friends in Scotland almost from the date he was dropped. Most people consider him the best bull that we have brought from Scotland. We feel very fortunate to have "lucked" him in dam. He arrived from quarantine in July looking in fine bloom and he is one of those easy-keeping kind that continues to do well. He has a strong stock bull's head, great width, depth, smoothness of fleshing, is rugged, and a bull with size and weight-for-age.

He is a son of Glastullich Rosewood Robin. We had just three Rosewood Robin sons at Northwood at the time of our sale last spring. A half interest in one sold for \$6,250 to Schreiber Farms, Missouri; another sold for \$3,700 to

C F Ranch, Florida; and a third sold for \$2,200 to Bluford Kellner, Kansas. Since then we have seen more by Glastullich Rosewood Robin, both here at Northwood and at our farm in Scotland, to know this is blood we want to perpetuate in the herd.

The dam of Glastullich Cock Robin is one of the great cows of the breed. She is also the dam of Glastullich Sunshine, sold at \$7,200 in the Northwood Premiere Sale, to Emile Cammaert & Son, Alberta.

Although a young bull Glastullich Cock Robin has seen heavy service since his arrival. Many of the sale females carry his valuable service.

As a beef individual many good cattlemen feel Glastullich Victor is one of the greatest they have ever seen. He is stamping his calves with his great thickness, spread, massive hind-quarter and deep natural fleshing . . . qualities so often lacking.

We are proud that the first son of Glastullich Victor was selected as a herd sire by one of the breed's most able cattlemen, John Shuman, Deer Trail, Colorado. Two sons and five daughters along with females bred to him are being sold in this sale.

Glastullich Victor is the son we saved from the Glastullich herd to carry on the great work of his sire Bapton Balmoral. Another son, Glastullich Garrison, we sold to Bapton in Scotland shortly after acquiring the Glastullich herd. Bapton paid \$22,500 for Garrison, and he has left some excellent calves there. Another son of Bapton Balmoral was

the \$7,200 Glastullich Sunshine sold in the Northwood Premiere sale to Emile Cammaert.

Note Glastullich Victor's tremendous spread from end to end, his deep bulging hindquarters, his great spread of rib, deep natural fleshing . . . he is an important bull to the breed.

Bapton Balmoral was originally purchased at Perth by Duncan Stewart of Millhills for 2400 gns. At the Millhills Dispersion he was purchased for 5400 gns. by Captain John MacGillivray of Calrossie and William MacGillivray of Glastullich for use in these herds. After two very heavy seasons he was sold privately to Mr. J. Davies, South Australia.

Rothes Queen Clyte is a full sister to the famous Westdrums sire, Erimus Emeritus.

Glastullich Paloma is a grand roan cow by Calrossie Highland Monarch, the well known stock bull at Glamis, sire of Perth champion groups.

Glastullich Great. Out of the same dam as Glastullich Garrison that we sold to Bapton for \$22,500. Glastullich Great was scheduled for herd bull duty at Northwood at an early age. He was used in Scotland before shipment and now that we have seen his first calves we are more convinced than ever. One daughter sells and a number of females are bred to him.

Glastullich Garrison. This was the bull purchased from us at \$22,500 by Gordon Blackstock, manager of Bapton, one of the keenest cattle judges in the world. Some of the best calves dropped at Bapton in recent years are by him. He is a powerful bull with a great stock bull's head.

GLASTULLICH GREAT 3121-251

Red, calved May 4, 1960. Bred by Otto H. Grosse at Glastullich, Nigg, Ross-shire, Scotland; imported in September, 1960, by Otto H. Grosse, Cary, Illinois.

Bapton Balmoral. The sire of Glastullich Garrison, Glastullich Great, Glastullich Victor, Glastullich Sunshine, and many other tops. He originally sold at Perth, 1956 for 2400 gns. to the late Duncan Stewart of Millhills. At the Millhills Dispersion he was purchased for 5400 gns. by Calrossie and Glastullich. His sire, Cruggleton Balmoral, was one of the best bulls ever bred by the master breeder, A. J. Marshall, and made a great record in the Chapelton and Erimus herds.

Glamis Grenadier. Stock bull at Findowrie at the time we purchased that herd. His first crop of calves at Perth included a 1st, 2nd, two 4th prize bulls, and a daughter topped the Perth female sale at 651 gns. His sire, Calrossie Highland Monarch, had nine sons at Perth one year that averaged 2129 gns. The dam of Glamis Grenadier, Echt Pearl Golden Drop, was purchased by Glamis for 520 gns. as a young heifer. She is by the Royal Highland junior champion Cruggleton Aureate. His granddam is a full sister to Cruggleton Guthrie. Three sons and one daughter of Glamis Grenadier sell

Crichton Buzzard was the Supreme Champion Bull at Perth in 1960 where he sold to the Kair, Burnton, Morpie and Glamis herds for 3200 gns. Since we purchased a large number of the best females from the Anderson Brothers' herds we have been fortunate in obtaining his sons and daughters in dam. They are of uniform high quality as will be seen by the three sons and three daughters selling in this sale. We also sold two sons in Denver: one to Andes Bros., Mound City, Missouri, at \$2,000, the other to Galen Bamford & Sons, Haxtun, Colorado, for \$1,675.

NW RED STANDARD

Northwood Tops the 1962 International Congress Sale in Chicago

N W Red Standard, left, was the top-selling bull of the 1962 International Congress sale at \$3,000 going to the strong Will-A-Dell herd owned by Lloyd Davis, Oakland, Iowa.

The three Northwood bulls that sold in the International sale averaged \$2,073.

and on to Denver

Here again Northwood bulls made a big impression in the heart of the cow country. Our five bulls in the Denver sale averaged \$1,390. At right is shown Morphie Prince Buzzard, a Northwood imported-in-dam son of Crichton Buzzard purchased in Denver by Andes Bros., Mound City, Missouri.

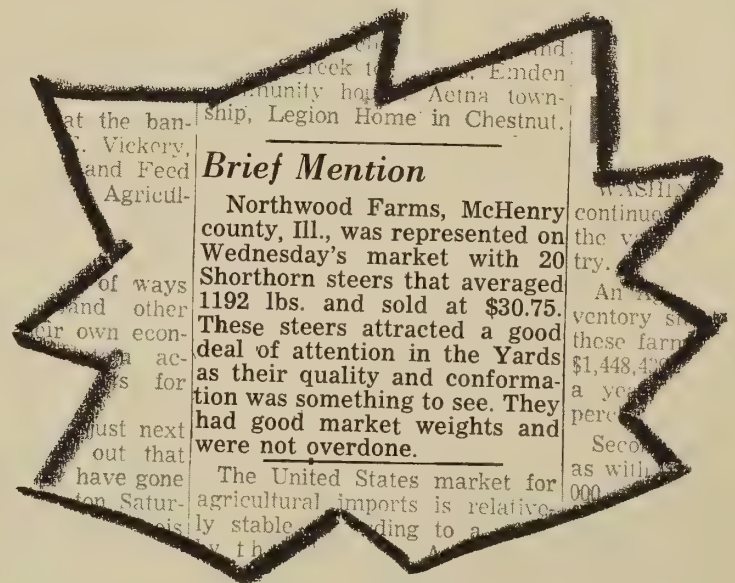

MORPHIE PRINCE BUZZARD

The NORTHWOOD Program for COMMERCIAL SHORTHORNS

Every knowing breeder realizes that the commercial cattleman is the backbone of our Shorthorn business . . . but how many breeders are doing anything about it? It is our plan to feed 1,000 steers a year. We will try our best to make these Shorthorns and Shorthorn cross-breds. We will do our best to feed them right, market them at proper weights and see to it they are given proper promotion in the yards.

We will search for good Shorthorn steers wherever we can, and, of course, a part of our customer follow-up program will be to keep an eye on Northwood blood in commercial herds . . . your customers and ours.

Another phase of the Northwood program for Commercial Shorthorns . . . we have purchased 100 commercial Shorthorn females and are mating them to good Northwood bulls. Through this we hope to make available top club calves for boys and girls. Northwood has been active in supporting the efforts of junior cattlemen since the herd was founded, and this phase of our program is to be expanded.

From The Drovers Journal, Oct. 9, 1962

Glamis Grenadier, sire of Lots 1, 2, and 3.

FINDOWRIE CHALLENGER — A young imported bull with breeding potential assured by his own individuality. Sired by Glamis Grenadier, senior stock bull in the Findowrie Herd. His dam is a daughter of the famous Calrossie Highland Leader that did such a fine job in the Millhills herd. We at Northwood have used Challenger on some of our best females. The Findowrie herd was based on a strong Millhills foundation.

First prize group of three at the Perthshire Agricultural show 1961. Left to right: Findowrie Lavender 3rd; Findowrie Lavender, dam of Lot 2; and Princess Maude. At the halters are three generations of the Petrie family . . . Maurice Petrie, now working at Northwood; William Petrie, herdsman at Findowrie, and William Petrie, Sr., formerly herdsman at Millhills.

FINDOWRIE LANCER — Another powerful, imported son of Glamis Grenadier. His dam, Findowrie Lavender, was the best female in the Findowrie herd and Gordon Blackstock says this is one of the best cows in Britain today. Uppermill Glencoe was used for a season at Findowrie and was sold for a record price to South Africa. Lancer's granddam, Millhills Lavender 28th is by Calrossie Unique, the Welcome son selected by D. M. Stewart to use in his famous Millhills herd. Nowhere else in the world today can one obtain Millhills breeding equal to that found in the Findowrie herd.

FINDOWRIE PRINCIPAL — This impressive imported son of Glamis Grenadier has attracted all visitors with his size and ruggedness. His dam is here at Northwood and has great scale and fleshing qualities. Note the double cross of Calrossie Highland Leader, the great Millhills sire, in his pedigree. We have used this bull because, here at Northwood, we think his size and scale are what Shorthorns need today. This bull carries a strong infusion of Millhills blood.

The imported influence

During the two year period from 1960 to 1962 Northwood exported more top females from Scotland than all the rest of the world combined.

Three entire herds were purchased . . . Glastullich, Findowrie, and Islabank. The finest from other Scottish herds were added . . . Uppermill, Kair, Bapton, Burnton, Morpie, Tolquhon.

There are more than 400 head in the Northwood herd. Therefore, we are in the best position to share this rich heritage from Scotland with you . . . and that is exactly what we have done in this sale offering.

Islabank Queen Jean, typical of the great females Northwood acquired through the purchase of the Islabank herd in Scotland. She was the reserve supreme champion at the Perth summer show, 1957. She is the dam of Lot 16, Islabank Queen Janet.

(Below) A group of the Glastullich cows and their calves taken after their arrival at Northwood.

ISLABANK QUEEN JANET, Lot 16

Glastullich Garrison, the famous Bapton herd sire. Lot 21 affords a rare opportunity to buy one of his daughters.

GLASTULLICH AUGUSTA BLOSSOM

— An imported daughter of Glastullich Garrison, the top son of Bapton Balmoral that was selected by Gordon Blackstock from the renowned Glastullich herd to use in the Bapton herd. A double bred Balmoral. The dam of this heifer was always considered by Mr. Grosse to be his favorite in the Glastullich herd. Bred August 8, 1962 to Glastullich Cock Robin. Checked safe in calf February 4, 1963.

Mr. and Mrs. Tempel Smith, Tempel Farms, Wadsworth, Ill., with Glastullich Augusta Lynn, \$5,500, top-selling female of the 1962 Northwood sale.

GLASTULLICH GIPSY GIRL, Lot 22

GLASTULLICH GIPSY GIRL — This has always been one of the favorites of the imported sale heifers, sired by a son of Calrossie Wildfire, the bull that bred so well at Coldoch. Calrossie Wildfire, after four seasons, was sold to the Argentine for \$15,000 where he sired champions at the great Palermo Show. Her dam is an outstanding cow sired by Calrossie Prince Charlie. His daughters are some of the best cows at Northwood. Bred Oct. 8, 1962 to Glastullich Great. Checked safe in calf February 4, 1963.

GLASTULLICH PRINCESS — An imported sweet typy daughter of Glastullich Great. He is from the same dam as Glastullich Garrison, the Balmoral bull Gordon Blackstock bought for the Bapton herd. Glastullich Great's dam is a full sister to Glastullich Gay Lad, the 1956 Perth supreme champion, sold for \$18,600. Burnton Princess Shirley is here at Northwood. Be sure to see this great cow. Her dam, Burnton Princess Sylvia, is a full sister to Burnton Blockbuster whose five daughters averaged \$3,300 in the Northwood Premiere Sale. Sells open with breeding privileges.

Beaufort Chevalier, sire of the dam of Lot 27, Glastullich Princess.

KAIR NONPAREIL GIRL — An imported daughter of Glastullich Playboy, a first prize winner at Perth, bought for \$7,800 by the Anderson Brothers. The Nonpareils have been great breeding battle for the Andersons. Kair Nonpareil Girl is the dam of Kair Superior sold in Denver to Galen Bamford & Sons, Haxtun, Colo., for \$1,675. Bred Aug. 1, 1962 to Glastullich Victor. Checked safe in calf Feb. 4, 1963.

**NORTHWOOD FLOSSY LOU, Lot 42, left,
and NORTHWOOD FLOSSIE GINA, Lot 63**

NORTHWOOD FLOSSY LOU — A daughter of the famous Bapton Roan Robin. A very few of the Floss family have ever been offered. The daughters of Bapton Balmoral are excellent females in the Northwood herd. Her dam has a very good Glastullich Victor daughter in the herd here. The granddam is one of the best producing females from the Glastullich herd. Bred Aug. 20, 1962 to Glastullich Great. Checked safe in calf Feb. 4, 1963.

LOT 42, FEMALE

NORTHWOOD FLOSSY LOU 3092-696

NW ROSEWOOD ROBERTA — Imported-in-dam daughter of the Highland champion, Uppermill Perfect. Perfect's dam, Rosewood Rapture, was also a Highland champion and was one of the best females in Britain at that time. Her dam, Rosewood Roberta by Uppermill Seafield, also a Highland champion, is here at Northwood and is one of the best females in the herd. Sells open with breeding privileges.

A typical group of Northwood brood cows and their calves.

NORTHWOOD NONPAREIL 3d, Lot 44

NORTHWOOD NONPAREIL 3d — Sired by the Perth Supreme Champion, Crichton Buzzard, out of a dam by Calrossie Crocus Count. These Kair Nonpareils are very consistent breeders. Bred Aug. 22, 1962 to Glastullich Cock Robin. Checked safe in calf Feb. 4, 1963.

NORTHWOOD BLOOD ROYAL 3d — A stylish daughter of Bapton Constructor. Her dam is the well known Louada Blood Royal 9th, purchased by Mr. Grosse for \$5,400 in a Louada sale. Louada Blood Royal 9th has two outstanding calves now at Northwood. Bred June 8 1962 to Glastullich Great. Checked safe in calf Feb. 4 1963.

Left: Kickapoo Blood Royal, 1957 International grand champion female, a Louada Blood Royal.

Right: Louada Blood Royal 9th, purchased for \$5,400 by Northwood in the 1959 Louada sale. She is the dam of Lot 75.

BAPTON PIONEER

Bapton Pioneer is one of the great sires of the breed. The records prove it beyond a doubt. Those who have seen his first sons in the herds of their new owners . . . who have seen the way they have matured . . . and who have seen their calves . . . are the first to appreciate his true worth to the breed.

Twenty-nine sons and daughters have been sold through two Northwood auction sales for an average of \$2,048. In this sale we are offering seven sons and

six daughters . . . the strongest of his get we have yet brought forward. Be sure also to see the grand group of Bapton Pioneer daughters in the Northwood herd, ranging from three-year-olds on down.

Bapton Pioneer sons are noted for their strength, fleshing, ruggedness and character. They are a very uniform group. It has been particularly gratifying to see so many of them go into the hands of top cattlemen in "cow country" . . . Nebraska, Kansas, Missouri, Texas, North Dakota, Wyoming, etc.

GLASTULLICH VICTOR

As a beef individual many feel Glastullich Victor is one of the best they have ever seen. We believe he can put some important ingredients into the breed. He is a bull of exceptional hindquarters and natural thickness. He has deep, natural fleshing and the look of a sire. He is stamping his calves with his superlative beef qualities.

Glastullich Victor is the son we saved from the Glastullich herd to carry on the work of his sire, Bapton Balmoral. Another son, Glastullich Garrison, Northwood

sold for \$22,500 to Bapton shortly after acquiring the entire Glastullich herd in Scotland. The dam of Glastullich Victor is Glastullich Paloma, a grand roan cow by Calrossie Highland Monarch.

Northwood is proud that the first son of Glastullich Victor was selected as a herd sire by one of the breed's most able cattlemen, John Shuman, Deertrail, Colorado.

Two sons and five daughters of Glastullich Victor sell in this sale along with a number of females bred to him.

NORTHWOOD SHORTHORN FARM — CARY, ILLINOIS

NORTHWOOD SHORTHORN SALE

MONDAY, APRIL 8, 1963

15 Bulls

CARY, ILLINOIS

60 Female Lots

75 lots in all sell . . . 15 bulls . . . 60 females. There are seven imported bulls, 31 imported females from the Glastullich, Islabank, Findowrie and other Scottish herds, with nearly all the others by imported bulls and out of imported dams and well forward in calf to imported bulls.

You were mailed a copy of the beautifully illustrated 60-page catalog on March 5. If you did not receive it, if you would like another one, or if your catalog was damaged in the mail, write to DON LONGLEY, Sale Mgr., 16 So. Locust St., AURORA, ILL.

NORTHWOOD SHORTHORN FARM — CARY, ILLINOIS

EDNA V. and BUD GROSSE, Owners Phone: Day: MErcury 9-3801; Night: MErcury 9-3805 HOWARD BELL, Manager

BAPTON GUARDSMAN

Northwood recently purchased Bapton Guardsman for \$25,000. He was calved October 20, 1961. This recent letter from Gordon Blackstock, manager of the Bapton herd in Scotland, expresses his sentiments about Bapton Guardsman:

"Dear Bud:
"Guardsman is looking terrific. I am so happy you are getting him. As you know, I always said to your late father when I saw a red bull which I felt should go to Northwood I would say so, and I am happy that the herd which produced that bull was Bapton . . . and that he was sired by Glastullich Garrison, which ties in so well with your own breeding. You can be quite outspoken about the qualities of Guardsman in all your advertising. No one here in Scotland will disagree if you say if he had gone to Perth he would have been the

Perth champion of a hotly-tipped Perth champion. What I mean to put over to you is that he has been one of the most popular bulls produced in Scotland.

"Bapton Guardsman is probably the best bull we have produced since Bapton Constructor. A bull with a great head, tremendous bone, beautiful dark red color, and as good a hind leg and rear-quarter as I have seen for a long time. He bears a tremendous resemblance to the famous Bapton Air Pilot, but with a better head, which, of course, he would have inherited from his grandsire, Kirkton Hercules. Perhaps he is a wee bit of the old-fashioned type of Shorthorn. By saying 'old fashioned' I mean big, fleshy and rugged, which I believe we need more of today. Many top breeders in Scotland were disappointed when they didn't get a chance to buy him."

AN IMPORTANT ANNOUNCEMENT
Bapton Guardsman and Clipper King of Bapton will not arrive at Northwood until about June. However, we want to make them a part of this sale offering. At the sale Northwood will announce that re-breeding privileges to either of these two bulls will be given on approximately 25 of the best females in the sale. Most of these females are already well along in calf to other Northwood stock bulls . . . this offer will simply be an added bonus so that our customers will have some of the first calves by Bapton Guardsman and Clipper King of Bapton x.

GLASTULLICH COCK ROBIN

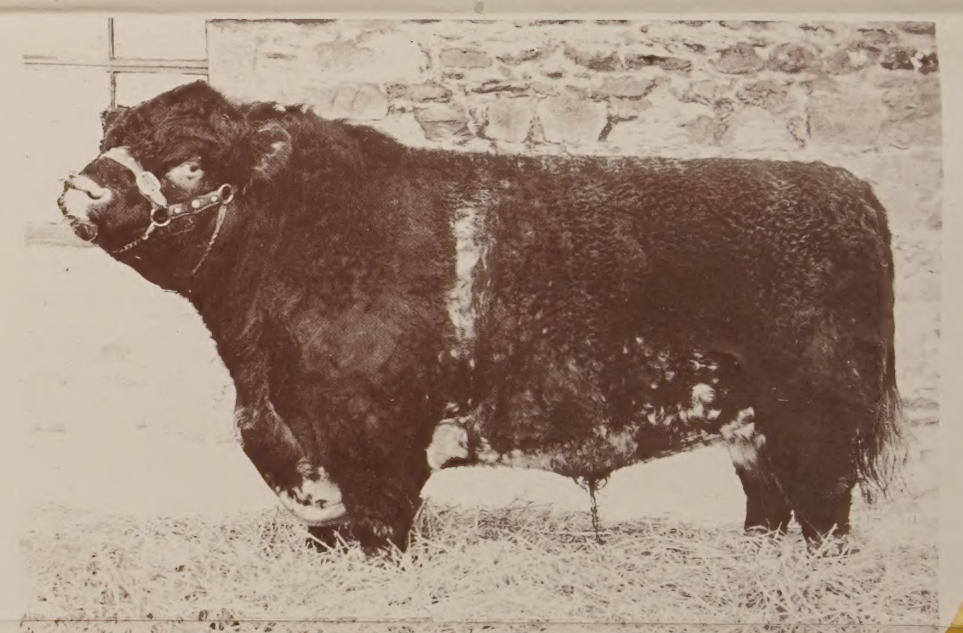

Glastullich Cock Robin, calved February 10, 1961, arrived from quarantine last July. Most cattlemen agree that he is the best young bull that Northwood has yet brought across from Scotland. He is one of those easy-keeping kind that continues to do well. He has a strong stock bull's head, great width, depth, smoothness of fleshing, is rugged, and is a bull with size and weight-for-age.

We feel fortunate to have "lucked" such a bull in dam. He is a son of Glastullich Rosewood Robin, the sire that heads our herd in Scotland. We had just three Rosewood Robins at the time of our sale last spring. A

half interest in one sold for \$6,250, another sold for \$3,700; and a third for \$2,200. Since then we have seen more Rosewood Robins at Northwood and in Scotland . . . plenty of evidence to know this is blood we must perpetuate.

The dam of Glastullich Cock Robin is one of the great cows of the breed, being also the dam of the \$7,200 Glastullich Sunshine, sold in the Northwood Premiere Sale.

Twenty-one females in the sale are well forward in calf to Glastullich Cock Robin.

CLIPPER KING OF BAPTON^(P)

Because of the importance of Polled Shorthorns in the overall breed picture, Northwood has been contemplating a Polled Shorthorn herd for some time. We knew only the best would do. On one of his trips to Scotland in 1962 the late Otto Grosse saw Clipper King of Bapton x and arranged to have several of our best females mated to him. Negotiations were carried on for his purchase to head the Northwood Polled Shorthorn project, but were interrupted by Mr. Grosse's death. The sale of the entire Bapton herd to Louada gave us the opportunity to purchase Clipper King of Bapton ^(P) from Louada.

Clipper King of Bapton ^(P) is the peak of the Bapton Polled Shorthorn program which has been described as "the most sincere and concentrated

effort to improve Polled Shorthorns anywhere in the world."

He is sired by Coronet Max Leader 3rd x, the Thiemman-bred bull selected by Bapton to start their project. He weighed 2352 pounds before being exported to New Zealand and after three years service at Bapton.

The dam is Bapton Fair Clipper, one of the best females at Bapton. She was by Calrossie Constellation, unbeaten male of Britain in 1957, and her dam, Fair Clipper 45th, was the unbeaten female of Britain, 1956, and the dam of Bapton Northward Bound.

The first calves have arrived in Scotland and are excellent.

Northwood

invites you to share its

Treasure Chest

of imported blood on

Monday, April 8

Everything Pictured Sells

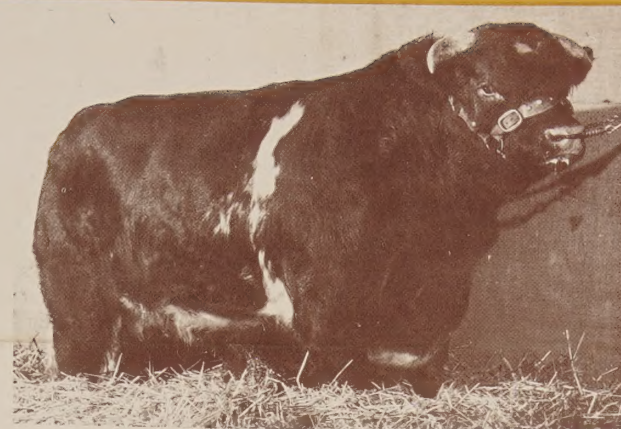

Everything Pictured Sells

Findowrie Challenger, March 4, 1960. A great, young, imported bull we have mated to some of our top females. Sire: Glamis Grenadier. Dam: Ballechin Highland Charity by Calrossie Highland Leader, the famous Millhills sire. The Findowrie herd represents the strongest concentration of Millhills blood in the world today.

Findowrie Lancer, March 19, 1961. Another powerful son of Glamis Grenadier. His dam, Findowrie Lavender, was one of the best we acquired in our purchase of the entire Findowrie herd. Granddam: Millhills Lavender 28th.

Findowrie Principal, March 17, 1961. Sire: Glamis Grenadier by Calrossie Highland Monarch. Dam: Findowrie Princess by Millhills Legacy. Granddam: Ballechin Princess Maud by Calrossie Highland Leader. We have used all three of these Findowrie bulls.

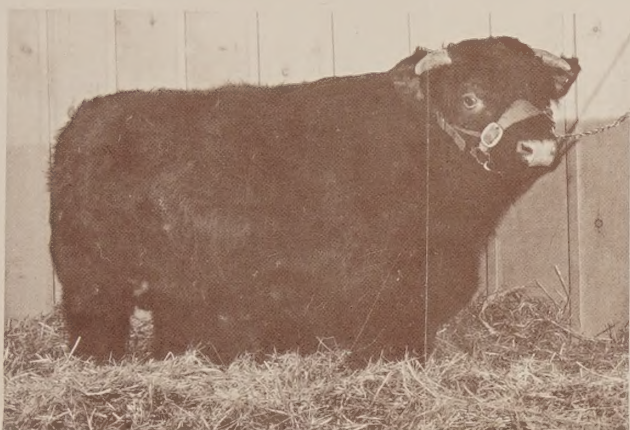

Glastullich Promenade, February 19, 1961. Sire, the Perth Supreme Champion, Crichton Buzzard. Burnton Eliza 6th, the granddam, was defeated only once in Britain and that time by the dam of Promenade, Burnton Eliza 10th. This bull has been used at Northwood.

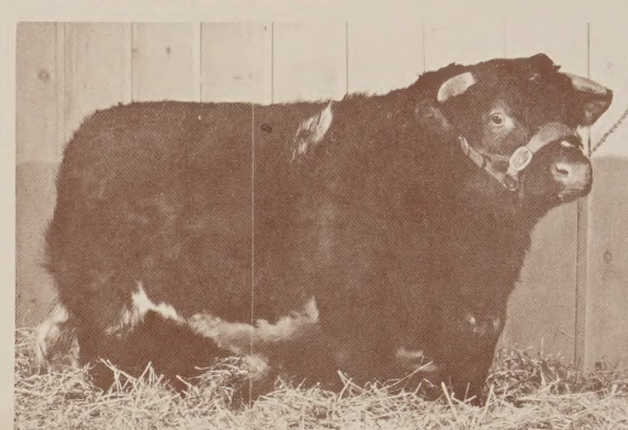

Glastullich National Buzzard. Another powerful son of the Perth Supreme Champion, Crichton Buzzard. The dam, one of the best cows at Northwood, is Burnton Nonpareil 10th by Calrossie Crocus Count. Granddam: Burnton Nonpareil by Calrossie Victorious.

N W Pioneer Ambassador, June 29, 1961. Sire: Bapton Pioneer. Dam: Glastullich Broadhocks Molly by Calrossie Christmas Carol, a maternal-sister to Glastullich Broadhocks Mavis sold to Tempel Farms for \$5,600 in the 1961 Northwood sale.

N W Pioneer Champion, September 18, 1961. Another powerful son of Bapton Pioneer with the head and look of a stock bull. His dam, Netherburn Missie 2d by Netherburn Blockbuster, came to Northwood with the Gardiner herd and is a grand female.

N W Pioneer Calculator, July 25, 1961. This is one of the best sons sired by Bapton Pioneer. His dam, Marellbar Beauty 12th, is a cow of great scale and fleshing qualities. The Beauty family did an outstanding job at Marellbar.

Northwood White Wizard, January 5, 1962. Sire: the Perth Supreme Champion, Crichton Buzzard. Dam: Kair Nonpareil Nessie by Calrossie Crocus Count. Next two sires of dams are Cruggleton Neville and Corrimony Golden Sovereign.

Islabank Rosewood 4th, January 19, 1961. Sire: Beaufort Constrictor by Beaufort Commodore. Her dam, Aldie Marion Rosewood, and two daughters arrived last summer and will be a foundation for a great Northwood family. Bred July 11 to Glastullich Cock Robin.

This offering represents the first occasion that Northwood has been able to draw from ALL of its available sources . . . the Islabank, Findowrie, and Glastullich herds all purchased in their entirety in Scotland . . . as well as the cream of the Northwood production from the great cow herd assembled here.

Besides the three herds purchased in their entirety in Scotland, we purchased the best from many of their other great herds. In the last three years Northwood has imported more outstanding females from Scotland than the entire beef world put together. This offering truly represents the sum-total of all these efforts.

We look forward with great pleasure to having you and your family with us. Come early. You can't see everything at Northwood in a few hours sale day morning. Give yourself a break in your daily routine. You are part of a great business. Occasions such as this are not only enjoyable but are vital to you in keeping abreast with the industry.

We at Northwood are pledged to the continued production of breed improving Shorthorns and to all efforts in helping Shorthorns gain their rightful place at the top of the beef industry. These were the goals of Northwood's founder, Otto H. Grosse . . . they are now ours.

Never in history has the influence of Scotland's very best been stronger in any single sale offering on this continent.

FREE DELIVERY

Northwood will deliver all purchases made in this sale free of charge, at a convenient date after the sale, to central locations in all parts of the United States. Insurance from date of sale is to be purchased by the buyer.

Islabank Scottish Buttercup 2d, March 15, 1961. Sire: Beaufort Constrictor. Dam: Islabank Scottish Buttercup by Bapton Eldorado. A special attraction. She was bred in Scotland and has a long service to Clipper King of Bapton (P).

Northwood Flossie Gina, January 28, 1961. Sire: Glastullich Victor. Dam: Glastullich Flossie Gina by Calrossie Hyperbole. This is the same family that produced Calrossie Good News and Calrossie Constellation. Bred October 12 to Findowrie Challenger.

Northwood Augusta 7th, February 6, 1961. Sire: Northwood Adventure, sold in Northwood Premiere sale for \$5,000 to Clarence Ralstin, Mullinville, Kansas. Dam: Marellbar Augusta 21st. Granddam: Saltoun Augusta 25th. Bred July 1 to N W Rosewood Man O' War, top of the 1962 Northwood sale.

At the sale Northwood will announce re-breeding privileges to either Bapton Guardsman or Clipper King of Bapton (P). This offer will be made on approximately 25 of the best females in the sale. Most of these females are already well along in calf to the other Northwood stock bulls. This is just an added bonus . . . giving you one of the first calves on this continent by Bapton Guardsman or Clipper King of Bapton x.

Islabank Queen Janet, January 29, 1961. Sire: The \$4,100 Calrossie Janus by Banchoy Orangeman. Dam: Islabank Queen Jean, many times a champion in Scotland, and by Calrossie Triumphant, full brother to Calrossie Constellation. Bred October 10 to Glastullich Victor.

In Two Years . . . Northwood Shorthorns have been sold to leading breeders in 22 states and Canada . . .
